

HORN HEART FOUNDATION

AROUND THE HORN

The 5th Annual Around the Horn was one for the books! This tournament is always one of our favorite times of the year—a chance for teams, families, and friends to come together for some great baseball and even better community spirit.

In honor of our 5th year, we decided to do something extra special: one player from each team was recognized for their character, teamwork, and love of the game.

The Joe Horn Award isn't about the biggest hits or the fastest throws—it's about playing with heart, lifting up your teammates, and carrying yourself with the same kindness and spirit that Joe did every day. Watching players embody those values reminds us why Around the Horn is more than a tournament—it's a legacy in action.

NAPA NATURALS BASEBALL IN COOPERSTOWN

From freshening up the practice field to cheering from afar, HHF was honored to play even a small role in the Napa Naturals U12 team's Cooperstown adventure. Watching young athletes live out a once-in-a-lifetime baseball experience is exactly what inspires us to continue investing in youth sports and community spirit here in Napa.

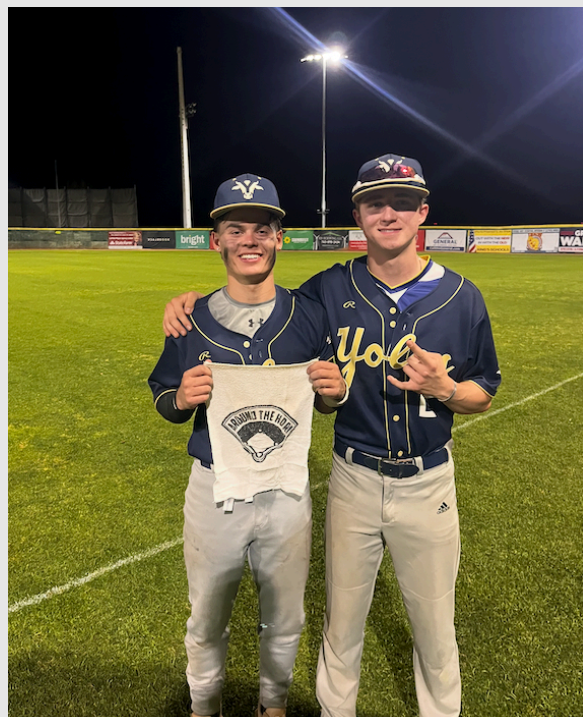

FUTURE LEADERS

Earlier this year, local student **Audrey Manley** earned second place in the Violet Richardson Award competition and donated her \$250 scholarship to HHF. In her essay, she shared how youth sports and volunteering with HHF shaped her life, calling it “the best opportunity I’ve had to give back to our local community.” We’re honored by her generosity and proud to see the next generation carrying our mission forward.

LEGACY IN ACTION

This year, Denise received a heartfelt message from one of Daryl's former players, now a college athlete at UC Davis. He shared that he still wears his Horn Heart wristbands, sweatband, and towel from the first Around the Horn Classic every time he steps onto the field—reminders of the fun Legion baseball days and the lasting impact of Daryl, Joe, and the Horn Heart Foundation. Years later, that legacy continues to inspire both on and off the field.

HIGH SCHOOL INTERNSHIP PROGRAM

Horn Heart Foundation is proud to launch our first-ever High School Internship program! This new opportunity will give local students a chance to get involved behind the scenes, supporting events, learning about nonprofit work, and seeing the impact of youth sports in action.

Meet Kristi – a devoted board member whose heart is all in for Horn Heart Foundation.

From honoring lifelong friendships to championing meaningful events, **Kristi is passionate about keeping Daryl and Joe's legacy alive through community, giving, and love.**

What She Brings to HHF:

For Kristi, Horn Heart Foundation is more than just a nonprofit—it's personal. With deep ties to Daryl and Joe, she focuses her time and energy solely on HHF, helping the foundation grow and sharing their story with everyone she meets.

"Daryl and Joe were so very close to me and my family, and I love sharing what we're doing to carry on their legacy."

Favorite Initiative:

Her heart belongs to Around the Horn, HHF's annual baseball tournament. Some of her favorite memories with Daryl and Joe were made on the field, and this event gives her the chance to celebrate that bond while spreading the HHF mission beyond Napa.

A Little-Known Fact:

Kristi is a lifelong horse lover who's been riding since age 9—and yes, she even loves the smell of the barn!

Her Ideal Day Off?

Spending time with her family, friends, and dog—the perfect recipe for joy.
